

# VICTORIOUS DISCIPLESHIP GROUP

**Victorious! is a discipleship group of Motion Church which meets Mondays at 6 p.m. We attend to study God's Word by reading a passage or chapter of scripture together and discussing what it means for us today. Whatever passage of God's Word we study, our emphasis is on how it applies in our lives as we strive to change from glory to glory. Through God's Word, we are disciples, seeking the Holy Spirit's help to understand and have victory in recovery from addictions or any life-controlling habits – we are Victorious!**

**In addition, the group is shown how to study the Bible for all it is worth, through other on line resources, book supports, and each other, to help us grow in the Word. We also learn to apply a system for daily journaling on our own time, which can increase and deepen our connection to God. Some of us share our journaling in the group.**
